

VIP “Assured Comfort” Clients

To maintain the efficiency and longevity of your HVAC equipment the manufacture requires the minimum maintenance as follows:

1. Check and clean air filter each month or more frequent if required.
2. Check blower motor and wheel for cleanliness each heating and cooling season. Clean as necessary to keep warranty.
3. Check electrical connections for tightness and controls for proper operation each heating season. Service as necessary.
4. Inspect burner compartment before each heating season for rust, corrosion, soot, or excessive dust. If necessary, have furnace and burners serviced by qualified service agency.

Therefore, we at Assured Comfort strongly recommend becoming a Maintenance Plan Customer which will be customized and tailored to your HVAC equipment within your home.

VIP Maintenance Plan Forced Air Furnace/AC- \$312 per year or \$26 per month charged to Credit/Debit Card

VIP Maintenance Furnace Only - \$156 per year or \$13 per month charged to your CC/Debit
