TRAINING AND INSPIRING DANCERS AND TEACHERS OF TOMORROW

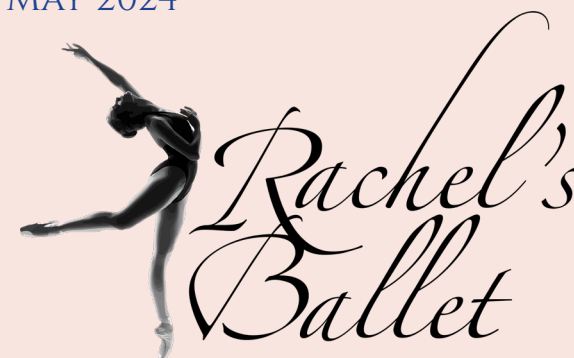

MAY 24, 2024

Ohlone College Jackson Theater
43600 MISSION BLVD
FREMONT, CALIFORNIA

DIRECTOR'S NOTE – MAY 2024

Dearest Parents & Friends:

Welcome to our 2024 Rachel's Ballet Annual Showcase! I am overjoyed to share this special day with you, celebrating the incredible achievements of our dancers and the lasting impact we've made in our community.

Today is about more than performances; it's a celebration of dedication and passion. From the youngest dancers in *It's a Small World* to the accomplished performers in *La Bayadere*, every moment on stage reflects the hard work and talent of our students. I am bursting with pride over the successes of our past year.

Isabelle's film winning Best Dance Video in Toronto is a testament to our artistic vision and collaboration. We are fortunate that she brought this project to life, making tonight's lineup of films possible for you to enjoy!

Our students' experience at Fonteyn in London was truly unforgettable, showcasing their talent on an international stage! I am deeply grateful to Ms. Leigh Ann for her selfless support, even while away from her family, to guide and nurture our dancers.

Our *Nutcracker* was a heart-warming success, emphasizing teamwork and opportunity. It's undoubtedly one of our favorite events and performances of the year!

This year, there's always room for growth, and we've embraced valuable lessons from our competition events. It's not always about winning awards but about fostering resilience and commitment, and learning to work together as a team to overcome any challenges that come our way. I want to extend special thanks to

DIRECTOR'S NOTE – MAY 2024 (CONTINUED)

Ms. Ashley Bishop for her unwavering dedication and exceptional success in handling our registrations and other challenges throughout the year.

I want to take a moment to honor Samantha Lin, our first CBTS graduate. Samantha's contributions have been immense, especially during challenging times. Her dedication embodies the spirit of mentorship and connection we cherish at Rachel's Ballet.

As we bid farewell to our graduating seniors—Audrianna, Clarice, Shreya, Avantika, and Daisy—I am confident in their bright futures. They leave behind a legacy of excellence and leadership.

Looking ahead, I am excited about our commitment to mentorship and lifelong learning. Our goal is not just to teach dance but to inspire our students to continue their

artistic journeys, bringing new experiences and ideas back to our community.

Despite losing many students during the pandemic, our comeback is a testament to our resilience in sustaining the school for the entire community. Let's hope COVID continues to diminish, but if it surges again, we'll be better prepared to face the uncertainties that come with it.

Thank you, RB team for doing an incredible job of keeping the performing arts alive! Bravo to everyone involved. We love our work and will continue to grow, thrive, and embrace new possibilities while cherishing our traditions.

Thank you all for being part of our family. Your support and enthusiasm fuel our passion for dance and community. Let's make this showcase a moment to remember!

With excitement and gratitude,

Rachel Tan

SESSION THREE — SHOWCASE

La Bayadere

La Bayadere was created especially for the benefit performance of Ekaterina Vazem, Prima Ballerina of the St. Petersburg Imperial Theatres.

La Bayadere (meaning the Temple Dancer of the Temple Maiden) tells the story of the bayadere Nikiya and the warrior Solar, who have sworn eternal fidelity to one another.

The high Brahmin, however, the Rajah Dugmanta of Golconda has selected Solar to be the fiancé of his daughter Gamzatti (or Hamsatti, as she is known in the original production), and Nikiya unaware of the arrangement, agrees to dance at the couple's betrothal celebrations.

In a dream-like euphoria, Solar has a vision of Nikiya's shade (or spirit) in a nirvana among the star-lit mountain peaks of the Himalayas called the kingdom of the shades. Here, the lovers reconcile among the supreme opulence and order of the shades of other bayaderes (in the original production of 1877 this scene took place in an illuminated enchanted palace in the sky). When Solar awakes, preparations are underway for his wedding to Gamzatti.

ROYAL BALLET SCHOOL LONDON — UPPER LEVEL
Elisha Tan

Congratulations to Elisha on being accepted to the Royal Ballet School Summer Intensive in London this summer! We wish her all the best for her upcoming Solo Seal exam on July 19, as well as her second Fonteyn experience Sep 1-8. Elisha continues to train full-time with the English National Ballet school in London.

She returned this past Spring to work with our team. Wishing Elisha continued success and joy in her dance journey!

CONGRATULATIONS TO OUR GRADUATING SENIOR — AUDRIANNA FUNG

Walking into the studio at the age of 7, I never thought that the people around me would eventually become my second family throughout my following years at Rachel's Ballet. I can't even attempt to sum up the years of laughter and love that the studio has given me. I am so undoubtedly grateful and privileged to say that I got to experience life with dance firsthand. Thank you to my mom, who has always gone out of her way to endlessly support me in all that I do, and to the teachers, who have guided me patiently through this chapter of my life and shaped me into the person standing on stage today. Last but most definitely not least, thank you to the dancers who greet me with nothing less than a smile and a hug each time I see them. You have all been a static lifeline to me, thank you for supporting me through my highs and lows. As my senior year is coming to an end, I've found myself reflecting on the past decade at the studio, and I can't help but smile when I think of all the memories that my girls and I have created together — from what seemed like endless hours of rehearsals and master classes to travelling to Irvine and Florida for competitions. Even as we begin to go our separate ways, I know I will continue to cherish the memories, lessons, and friendships that dance has given me for a lifetime. Soon, I will be graduating from California Crosspoint High School and attend UC Irvine in the Fall.

CONGRATULATIONS TO OUR GRADUATING SENIOR — SHREYA GULATI

It's hard to think about leaving a studio that has turned into a sanctuary and given me a second family over the past 13 years. From the very beginning as a sheep in *The Nutcracker* to now being in my last Showcase, I could write endlessly about the memories and the life lessons I've gained from Rachel's. I walked into this studio at the tiny age of 4, shy and withdrawn from my surroundings, but I've come out a more confident, open-minded, and tenacious person.

As I cross out more and more days till graduation, I've discovered the beauty of living in the moment. Each class or competition, though I'll never be able to re-experience them, lives on in the memories and laughs I'll carry with me forever. With so much gratitude to the teachers who have changed my life, I hope to continue using the lessons you've taught me, growing into a better dancer and person every day. To my family, who have supported me through every injury and every milestone, I'll always be grateful to see your smiling faces in the audience. Last but definitely not least, to the girls who have stood with me amidst my worst and cheered me on through my best, there's been no greater gift than having the opportunity to spend my time surrounded by so much love. I will be graduating from American High School, and in the fall, I most likely plan to attend UC Berkeley majoring in neuroscience on the pre-med track. I'm so excited to come back and visit!

CONGRATULATIONS TO OUR GRADUATING SENIOR — DAISY KIM

Hi my name is Daisy and I go to Irvington High school. I first came to Rachel's ballet during covid where I was a freshman in high school. I remember walking into the studio for the first time and being very intimidated by everyone and I can still vision every single part of it. My past self would've never imagined having such a strong friendship with the people here. Every moment with these people have created memories that I will never forget. A core memory that I always look back to is YAGP finals. To performing on stage to meeting Brady Farrar, and even our trip

to Disney World have made me realize that there's a second family always willing to be there for me when i'm going through a hard time. I still remember when me, audri, and sam were crying, while walking in the rain storm soaked because we forgot where we parked our car. I don't think i'll ever forget that.

Though I'm planning to go to community college for the next 2 years, I will greatly miss everyone, especially the seniors who are moving away, so you guys better come and visit me.

CONGRATULATIONS TO OUR GRADUATING SENIOR — CLARICE LAI

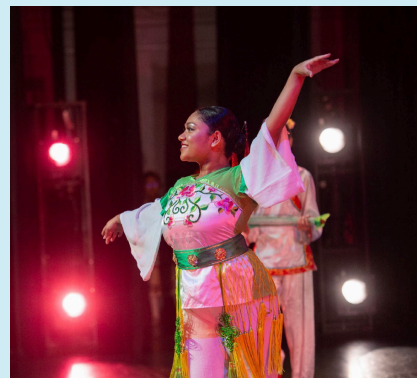

Hi! My name is Clarice Lai and I am graduating from Dublin High School. I've been dancing since I was 4 and started at Rachel's when I was about 7 years old. I'm super grateful to be able to call the studio my second family and without them, I know I wouldn't be who I am today.

As I look back on my journey, I reflect back on how far I've come. Dance has taught me many lessons and it's not just in the studio, but in the outside world as well. I specifically want to thank my teachers for being with me every step of the way, through thick and thin. I owe so much of my knowledge to them and they're constantly pushing me to become the best person and dancer I can be. To my parents, for enrolling me into dance class in the first place,

for the drives to the studio, and the endless support through everything, I am extremely thankful for them. Without them, I don't know how I would have made it this far. And of course, my team, my girls. I will never be able to compare these lasting memories I've been able to experience with them. From late nights at the studio to traveling to Florida for competition, I've shared many laughs, tears, and emotions that I'll never forget. I have so much love for them and will always value the bonds that I hold with each and every one of them.

This fall, I plan on attending UC Riverside with a major in Biology on the Pre-Med track. I will always be endlessly grateful for my time at Rachel's and am so excited for my next chapter!

CONGRATULATIONS TO OUR GRADUATING SENIOR — AVANTIKA SAXENA

I remember my first time feeling the marley floor under my canvas shoes as I turned on the Rachel's Ballet floor at four years old. It's a moment that I now will never forget, but little did I know at the time, that experience would lead to creating a defining aspect of me. It is almost impossible to sum up 14 years of laughter and fun with this studio in a couple of paragraphs.

Growing up in an environment that never failed to elevate me and shower me with kindness was the greatest privilege of my life. To my teachers, who have meticulously molded me into the woman and dancer I am today, to my family who have been my pillars for the last 18 years (and who never fail to show up when it really counts), for the art form that has taught me more life skills than I ever imagined, and most genuinely, for the girls who have made even my worst days seem okay, the gratitude I have will never amount to the impact each and every one of you have made on me. Thank you for giving me the best safe space four walls could ever build.

As my time in high school comes to an end and I begin planning for the next chapter of my life, I have found myself reflecting on what has truly shaped me these past years; and I can say without a doubt that my time growing up at Rachel's Ballet is one I feel so lucky to have experienced. This year, I am graduating from Moreau Catholic High School and will be attending Barnard College of Columbia University in New York City in the Fall. I am planning to major in Physics on the pre-engineering track in hopes of pursuing a career in race engineering.

CONGRATULATIONS MS. SAMANTHA LIN

Congratulations to Ms. Samantha, who has completed her CBTS training course and is now an officially registered teacher of the Royal Academy of Dance. The CBTS program consisted of five modules over the course of two years which culminated with the practical teaching module. Working with our own Rachel's Ballet students,

and mentored by Miss Leigh Ann, Miss Samantha was assessed and passed by Miss Geraldine Johns. We are so proud to have our first truly home grown teacher from Rachel's Ballet. Samantha is a former student who passed all of her RAD examinations through Advanced 2, and received her Dance Degree from UC Irvine before returning to teach and choreograph for Rachel's Ballet. Bravo, Samantha!

CONGRATULATIONS ELISHA TAN

Congratulations on being accepted to the Royal Ballet School Summer Intensive in London — see pg. 17.

2024 RAD TEACHERS NOMINATIONS HONORING MS. LEIGH ANN KOELSCH

I proudly nominate Ms. Leigh Ann Koelsch for the 2024 Royal Academy of Dance Teachers Awards. As an esteemed instructor at Rachel's Ballet since 2007, she mentors and significantly contributes to our dance community. Ms. Leigh Ann adeptly balances motherhood with an unwavering commitment to many through her love regular duties, she dedicates significant time to assisting dancers with RAD exams and supports them during Solo Seal and Fonteyn events. I cherish the memories of her choreographies and value her profound passion. Ms. Leigh Ann holds a special place in our hearts, embodying dedication and love for dance.

At the recent Fonteyn event, she stood by me, cheering and shedding tears of joy. Feeling fortunate for her sacrifice of precious family time to attend London events, her dedication underscores a commitment to nurturing dancers, leaving an indelible mark on our community. I am privileged to have Ms. Leigh Ann as a mentor and guide.
