## DIRECTOR'S NOTE – MAY 2025

### *Dearest Parents & Friends:*

As we begin the 2025 school year, I'd like to extend my warmest wishes to you and your loved ones for a joyful and fulfilling New Year!

This season is especially meaningful as we celebrate the 25th anniversary of Rachel's Ballet. Your continued support and trust have made this milestone possible, and we are incredibly grateful to be on this journey with you. Together, we've built a vibrant community where young dancers grow in artistry, discipline, and confidence.

We began the year with our Annual Nutcracker Camp, led by Maria, which paved the way for a strong audition process and a magical performance at Oakland Temple Hill. It was a joy to share this production with the Bay Area community, and we thank you for your support.

We began the year with our Annual Nutcracker Camp, led by Maria, which paved the way for a strong audition process and our magical Nutcracker performances at Oakland Temple Hill. We are grateful for the creativity and thoughtful planning that went into making this beloved production work for dancers of all levels. It's no small feat to organize such a large-scale event, and it all came together beautifully. A heartfelt thank you to my dear teachers for your hard work and to our parents for your continued support. It was a joy to share these performances with the Bay Area community.

We're proud to share that our alumni continue to shine—Elisha achieved Solo Seal and was a finalist at the prestigious Margot Fonteyn International Ballet Competition,

a dream come true. Following the competition, she was awarded a scholarship to attend the Australian Ballet this summer.

This season, our dancers stepped up on competitive stages at YAGP, CDC, Encore, Icon, and Spotlight, pushing their limits and growing in both skill and spirit. To our dedicated coaches—thank you. Your commitment and heart behind the scenes make all the difference.

We are thrilled to report a 100% exam pass rate across the school, with all students earning Merit and above, and numerous Distinctions from Primary through Advanced 2. Special congratulations to Adhya Yerrabommanahalli for achieving the only High Distinction (85) in Discovering Repertoire Level 3, and to Samantha Perez, who earned an 80 Distinction in Advanced 2. Incredible work from all!

A big thank you to Leticia—you've been a tremendous help in this busy exam season, especially stepping in so seamlessly after Ms. Bambi's early retirement. We're so grateful for your presence and dedication during this important transition.

We look forward to an exciting summer filled with camps and new opportunities. We're also thrilled to welcome Fatima Sola Ginarte, a talented ballet teacher from Cuba, to our faculty. To our entire teaching team, thank you for upholding the excellence and joy that define Rachel's Ballet.

A heartfelt congratulations to our graduating seniors—Cassidy, Samantha, and Allison. Watching your journey has been an honor. You leave a legacy of hard work and grace.

This year, we introduced our first Teaching Assistant Award, proudly presented to Jinghan (Emily) Zhang for her outstanding commitment assisting Ms. Claire's Saturday morning classes.

We also recognize Ms. Ariel, who completed her Teaching Certification this year—a true milestone after much dedication and perseverance.

Thank you for being a part of our RB family. We are so happy to share this special showcase and 25-year celebration with you.

Welcome to the show—and enjoy every moment!  
With gratitude,

*Rachel Tan*

## CONGRATULATIONS TO OUR GRADUATING SENIOR — CASSIDY JOHNSTON

As I look back on the past 13 years I have spent at Rachel's Ballet, I can confidently say that it has shaped me into who I am today. I vividly remember stepping into my first class wearing a gold sparkly skirt and holding onto my mom's hand, scared and not knowing what would come next. Little did I know that I would be spending countless hours here full of laughter, smiles, sweat, and tears in the years to come. This studio has not only taught me the importance of discipline but also the importance of friendship. With every late-night Nutcracker rehearsal, every debrief in between exercises at the barre, being at early morning competitions, the nerves before an exam, and encouraging each other right before stepping out of the wings, I have made countless memories with my peers whom I can call some of my closest friends. Graduating from this studio is hard as it is closing such a beautiful chapter in my life where I learned how to express myself through movement. None of which could have been possible without my parents, whom I want to thank for their sacrifices to ensure that I was able to continue my passion. I also want to thank my teachers who always had faith in me even when I didn't and pushed me to my fullest potential. As I move forward, I will bring with me not only my technique but the resilience, confidence, and passion that this second home has given me. While it is bittersweet, I will not be leaving dance behind as I plan to attend California State University Long Beach in the fall to study Dance Science and also plan to go into Kinesiology. This studio has given me the gift of dance that I will forever cherish and will continue to guide me in the years to come.

## CONGRATULATIONS TO OUR GRADUATING SENIOR — ALLISON LOW

I remember the first time I stepped into the studio when I was just 5 years old. Little did I know, this would be more than a place for dance; it would be the place where I found my second family. My time at Rachel's Ballet has been nothing short of extraordinary, filled with moments of growth, laughter, and countless memories. I will always remember the time spent backstage at Nutcracker, laughing in the dressing rooms, exchanging secret Santa gifts, and supporting each other through the long and demanding weeks. Those moments, surrounded by the people I most adore, were truly some of the best moments in my life.

I would like to thank my family for always supporting me through the ups and downs. Words cannot even begin to express how grateful I am for your endless love and encouragement. To my teachers, thank you for guiding me with patience and for pushing me to grow, not only as a dancer, but as a person. But most of all, thank you to my fellow dancers, for bringing me, joy, strength, and the kind of friendship that lasts a lifetime. I am so incredibly lucky to have grown up with you by my side.

As I prepared to step into the next chapter of my life, I find myself filled with gratitude for everything you all have given me. Being at the studio has shaped me into who I am today. The love and support I've found in every single one of you will continue to influence my journey. In a couple weeks, I will be graduating from Mission San Jose High School. I plan to attend the University of San Francisco in the fall, majoring in Kinesiology on the pre-PT track.

## CONGRATULATIONS TO OUR GRADUATING SENIOR — SAMANTHA PEREZ

I am so thankful for whatever led my mom to sign me up at Rachel's Ballet when I was just 5 years old. At the time, she didn't know she'd be paying for 12 more years here, but it's been so worth it. It is a bittersweet feeling knowing me and my friends are moving on from this chapter in our lives but I am incredibly proud of how far we have come and can't help but smile thinking of all the memories and lifelong lessons I've gained here. I have been so privileged to grow up in an environment that not only supported and challenged me but also filled my life with so much happiness, making this goodbye even harder.

Through my journey here, I've come to realize how much this studio has shaped me as not just a dancer, but as a person. Thank you to my mom for every ride, every trip, and for always saying yes to something that's become such a big part of my life. I don't know where I would be without her unwavering support through it all. To my family, I'll always be grateful for the way you've cheered me on louder than anyone in the audience, year after year. To my teachers, thank you for your constant encouragement. I owe so much of what I've learned to all of you. And finally, to my friends. You guys have been some of the most genuine people I've come to know. You always manage to put a smile on my face and there's never a dull moment. I think we are all definitely trauma bonded for life. But in all seriousness, what I'll miss the most is them.

I am so grateful for the role they have each played in my life and as I leave, I'll know that Rachel's Ballet will always hold a special place in my heart.

This fall, I plan on attending California State University Long Beach as a Dance Science major, with the hopes of continuing my dance journey while studying to pursue a career in healthcare.
