

ETHICAL DECLARATION

As part of the Ukrainian Owned certification process, we ask each applicant to voluntarily confirm their connection to Ukraine and alignment with the mission of the Ukrainian Owned initiative.

CONNECTION TO UKRAINE

We do not limit access by nationality, but instead provide the opportunity for you to voluntarily declare your connection to Ukraine.

By submitting the Application form, I confirm that:*

- The business has a Ukrainian owner, co-founder, or employee.

or

- The business was founded by Ukrainian immigrants or members of the Ukrainian diaspora.

or

- The business actively supports Ukrainian culture, charitable efforts, or community initiatives aimed at helping Ukraine and its people.

*To be eligible for certification, your business must meet **at least one of the following criteria**.

SHARED VALUES DECLARATION

By submitting the Application form, I confirm that:

- I am authorized to act on behalf of the entity and have the legal right to sign this declaration on its behalf.
- I support Ukraine's people, sovereignty, and independence.
- I believe in the mission of Ukrainian Owned - to empower Ukrainian entrepreneurs and create meaningful opportunities for support through business.
- I commit to acting with integrity and representing the Ukrainian community and values in a respectful and transparent way.
- I understand that misuse of the Ukrainian Owned Logo or misrepresentation of ownership may lead to removal from the directory and revocation of certification.
