Wednesday March 3, 2021

Yáu Bella Bella,

We continue to prioritize the safety of our students, staff, and the community, especially given the most recent Covid case. The following decisions were made with students & operational requirements in mind.

March Break begins on Thursday the 18th at 12 noon.

Distance learning will begin Wednesday April 7 for all students.

The post March Break return to in-class learning will be as follows:

- **Grades 10 - 12 return on Monday April 12**
- **K - 9 students return on Monday April 19**

To uplift our students and improve wellbeing, we will continue regular student gym access in collaboration with the YC and the HTC, unless we are in a community lockdown. The gym schedule is [here on our website](#).

We also acknowledge the mental strain Covid is having on all of us; we appreciate your patience and empathy. Please reach out when you need support. The 24/7 community crisis line is 250-957-7048.

The BBCS Board will continue to monitor and evaluate the local Covid situation; at the present time we continue to require 14 days of isolation.

Stay safe.

Ǵiáxsiǵa, BBCS Board
