

School Board Notice

October 5, 2020 9:20 pm

If anyone in your household has travelled out of the Haítzaqv Territory, your children **must isolate for the full 14 days** before they attend school (even if you are an essential worker).

In addition, if your child has contact or face-to-face interactions with a person that should be self-isolating, they **must isolate for the full 14 days**. This only applies to **first contacts** with the self-isolating person, and does not extend to **secondary contacts**.

THERE SHOULD BE NO CONTACT WITH ANYONE OUTSIDE YOUR HOUSEHOLD WHEN YOU ARE SELF-ISOLATING.

The School Board's top priority is to keep everyone safe and to keep our school open, with support from our HEOC.

Questions? Please contact

Anita (250-957-8150), Haydn (250-505-5714), Irene (778-213-8426) or Mike (778-913-0646)

Be kind, be calm, be safe.

Ĝiáŋsiŋa, BBCS Administration

Definitions

- Contact: Less than 1 metre from the self-isolating person
- **First contact:** the person who has contact with the self-isolating person
- **Secondary contact:** the first contact who has contact with another person
