

Chicago – January 19, 2022 – Total Living Network broadcasts Rooftop Revelations series

TLN has joined Pastor Corey Brooks as he camps atop a rooftop for the second time in his career to protest gun violence and raises funds for Project H.O.O.D. Pastor Brooks is founder and Senior Pastor of New Beginnings Church of Chicago and founder and CEO of Project H.O.O.D. Communities Development Corporation and has become a leading voice and presence in the fight against the violence gripping Chicago's poorest neighborhoods.

"Rooftop Revelations" is Pastor Brooks' 2021-2022 100-day vigil, coming ten years after his initial vigil as his heart broke for the violence in Chicago and particularly for the youth suffering from its effects in the New Beginnings Church neighborhood on South King Drive. Corey's vision is to complete a building to house Project H.O.O.D. whose mission is to end senseless violence, end recidivism, and build communities, one neighborhood at a time. Project H.O.O.D.'s programming equips youth, adults, and families with the resources, skills, tools, and experiences that are needed to be successful, healthy, and upwardly mobile members of society.

TLN is airing "Tent Talks" – short form video updates from Pastor Brooks, which can also be viewed @ tln.com. In addition, a "Significant Insights" special with host Jerry Rose and Corey Brooks delves into Pastor Brooks' motive and goals for his current vigil. "Significant Insights" airs on TLN on Tuesdays @ 9:30p and this special will air on February 8, February 15 and February 22. Individuals may go to projecthood.org to support the Project Hood community center build.
