

*Ram Nation Boosters  
Presents  
Ryan's Rams Scholarships*

Ryan Tachell left us all too soon on April 17, 2015 at the young age of 18. Born to Trish and Dan Tachell on July 15, 1996, he was known in the community as a son, brother, friend and angel of happiness. He inspired many, and much was learned from his unselfishness and his drive to help others.

Ryan will be remembered by family and friends as the most generous of souls. Ryan was a regular blood donor and was able to give to others even after his last breath. His spirit will live on in our hearts forever.

His goals were to graduate and become a United States Marine. It was Ryan's wish to protect others and become a soldier. He will be awarded the highest honor of becoming a soldier of the sky.

Ryan was extremely athletic and active in several sports at Riverside High School, including cross country, tennis, football, cheerleading and more.

Ryan has touched lives across the world as a People to People ambassador and worked part time at the Riverside Service Station always sporting his infectious smile. His ability to turn someone's day around was uncanny.

Two scholarships will be awarded to applicants that most embody the spirit of Ryan Tachell.
