Suggestions from our members:

Peggy Stelpflug?? suggested that we show the video of her son Billy Stelpflug that was shown at the mayor's breakfast several years back at one of our monthly meetings. We might want to consider doing this at the Marine Corps Birthday.

Ron Russell suggested having a raffle of sorts to raise money for our treasury. Some things to be considered, old books, mementos from family members who were in the Marine Corps, etc. etc. Will Work on the Details.

Bob Jonson, shared as Per Johnny Baker National Junior Vice and Tag Fund Committee Chair that the Marine Corps Auto Tag will still be available for sale it may have slight alteration and there will be a three percent charge paid to the Marine Corps.
