

Students

Entering Grades 1-12 in September can Apply Now for Exciting STEM Summer Enrichment Programs!

This summer, unplug and explore STEM! Students entering grades 1-12 can [apply now](#) to attend programs with STEM Matters NYC. Get your hands dirty in the garden, encounter amazing animals, or design an art or engineering project. Students entering grades 1-9 in September can apply for one-week camps. Students entering grades 10-12 in September can apply for STEM courses. Choose from a [wide range of programs](#) offered at sites throughout the city!

Programs are offered at the NYC Department of Education's Genovesi Environmental Study Center; Audubon New York; Bronx Zoo; MakerSpace NYC; New York Aquarium; New-York Historical Society; Prospect Park Zoo; Snug Harbor Cultural Center & Botanical Garden; Staten Island Museum; Staten Island Zoo; The Battery Conservancy; The Green-Wood Cemetery; and UrbanGlass. Students will meet and work with field experts in programs that feature real-world learning experiences.

Don't miss out, spots are limited and the **application deadline is Friday, April 23**. Preference is given to students who attend Title I schools. [Download our flyer](#), [learnmore](#), and [apply now](#). For questions, contact STEMMattersNYC@schools.nyc.gov.
