TAPCO OPEN HOUSE

Theatre Arts Production Company School

Join us at: <https://meet.google.com/dkn-rbiv-upr>

Come Attend Our Open House
NOVEMBER 17, 18, 19, 20th
2:00 to 2:30pm

TAPCo is a New York City Public School serving grades 6-12. Our school community values creativity. We employ the arts to foster high achievement in core content areas and provide students opportunities for deeper exploration of the performing and visual arts.

- ▶ We are a screened school with five fully functioning arts studios in the areas of Instrumental and Vocal Music, Dance, Drama and Visual and Digital Arts.
- ▶ Students who enroll will study an arts discipline of their choosing for the entire four years of high school.
- ▶ Each discipline provides students the opportunity to graduate with a Chancellor's Arts Endorsed Diploma in their chosen field.
- ▶ State of the Art Roof Top Garden and Performance Space.
- ▶ The Theatre Arts Production Company School offers academic and artistic programs to enable your child to be successful in internships, performances, art competitions, as well as college.
- ▶ Some of our academic programs include College Now at Lehman College, SAT prep, College Access for All and AP for All.
- ▶ Additionally, we have a variety of arts partnerships through the PAL, 92Y, Bronx Botanical Gardens, Lincoln Center, Broadway Bridges, Sound thinking NYC, ArtsConnection, Fred Dolan Art Academy and many more.
- ▶ Many of our students go on to majoring or minoring in the Arts in College and have extremely successful careers based in the arts.

TAPCO OPEN HOUSE
