It is decorated with various autumn-themed elements: stylized leaves in shades of yellow and orange, some with brown outlines, and small orange starburst or asterisk shapes. There are also some small white circles. A large, white rectangular box with a thick red border is centered on the page, containing the main text and a list.

Respect is caring enough to consider how words
and actions impact others.

- Having respect is when you feel good about someone because of how they act.
- Showing respect is when you care how your actions impact others.
