OPEN MINDED PEOPLE

Are you tired of looking at the world in the same old way? Have people told you that you never see more than one side of the story? If so, then it's time to broaden your horizons and improve your life so that you can be more open-minded. Open-minded people live exciting, balanced, and inquisitive lives, and you can be one of them after a little hard work!

CHARACTER TRAITS OF OPEN MINDED STUDENTS

You are curious so you enjoy trying and learning new things.

You are a good listener.

You have your own opinion but it is not the only opinion.

You have respect for other people's beliefs.

You don't gossip.

You don't judge a book by its cover or label people.

You enjoy everyone's uniqueness, as well as your own.

OPEN MINDED

[How has the boy become more open-minded?](#)
