

NYCEDC authorized the use of the Armory by NYC Emergency Management in collaboration with the National Guard and NYC TLC to use the Armory for food packaging and delivery.

Families that sign up through [this](#) portal can register for a box with 2 days worth of food and have them delivered by TLC-registered taxi drivers. Criteria for families are below and TLC-licensed drivers can sign-up [here](#) to work on this campaign. They are compensated at \$15/hour plus \$5/hour for expenses.

Please see below for details on each of these programs.

The GetFoodNYC program is available to you if you:

- Are unable to go out and get food for yourself, AND
- Do not have someone else in your household who can get food for you, AND
- Do not have a family member, friend, or neighbor who lives nearby who can get food for you, AND
- Do not receive food from Meals on Wheels, God's Love We Deliver or a similar service, AND
- Are not able to afford food delivery from a restaurant or grocery store.

If you qualify, you should note that:

- Each household can only make 1 order every two days.
- Currently, orders are not recurring. If you need additional food, you should submit a new order.
- Orders placed before 11 AM will be delivered within 2 days of the order date. Orders placed after 11AM will be delivered within 3 days of the order date.
- Each person who needs food will be given one box, which is designed to last 2 days.
- GetFoodNYC will deliver to a maximum of 2 people in each household.
- The amount of food delivered is based on the number of people in your household who need food from this service.
- GetFoodNYC will collect information about any dietary restrictions but cannot guarantee those requests can be met, based on food supply

TLC Driver Food Delivery

- The City has created the GetFoodNYC Food Delivery Program to provide food for coronavirus (COVID-19)-vulnerable and food-insecure New Yorkers not currently served through existing food delivery programs.
- We are asking TLC-licensed drivers to participate in this important work by assisting in delivering food to New Yorkers who must stay home.

Signing up is easy:

- Visit www.nyc.gov/DeliveryTLC
- Register by providing your name, phone number, email, TLC license number, and details on getting paid
- Sign up for your first shift in the app
- All drivers who have completed food deliveries will be paid \$15/hour, plus a \$5/hour mileage reimbursement. No routes will involve tolls.

Drivers will be selected on a first-come, first-serve basis. If you are not initially selected, we hope to reach you in the days ahead as demand for meals increases. If you have any issues signing up, contact supportnyc@tlc.nyc.gov
