

How to Get the Google Classrooms App on your iPhone

Step 1: Go to the App Store icon on your iPhone.

Step 2: Open the App store icon and find the *search* option located on the bottom right corner.

Step 3: Type into the *search* bar Google Classroom and hit search/enter

Step 4: Click on the button *OPEN* next the Google Classroom app in your search results.

Step 5: Once you click the *OPEN* button it will then say *INSTALL APP*. Click on the *INSTALL APP* button. It will either ask you for your Apple ID or your fingerprint/ facial recognition (depending on your iPhone). A loading circle will appear.

Step 6: Once the Google Classroom App has loaded it will then say *OPEN*. Click on the *OPEN* button.

Step 7: This will bring you directly to the Google Classroom app that is now an icon on your iPhone.

Step 8: Select the *GET STARTED* button. Select *ADD (ANOTHER) ACCOUNT*.

Step 9: Enter in your child's 10x340student email address which is also their google classroom user name. Hit enter

Step 10: It will ask for the password. This is student340 for your child's google classroom account.

Step 11: It will ask for permission to use your phone - click allow.

Step 12: The classrooms that your child is currently in will appear. Click on the classroom teacher's name and you will be "in" the classroom.
