

# Dream Party Productions- COVID- 19 Safety Plan (In person visits)- Updated 03/13/2021

1. If you are having 1 performer attend your visit, you can have 9 additional guests (including children and adults). If you are having 2 performers attend your visit, you can have 8 additional guests.
2. Visits must be held in an outdoor space that allows room for social distancing from the performer(s).
3. **All guests must maintain a safe distance from the performer at all times.** Multiple failures to maintain a safe distance during the visit will result in the visit ending early. No refund will be given in the event the performer(s) must leave early due to unsafe social distancing practices between the performer(s) and guests.
4. Our performers will be wearing masks at all times.
5. Our performers will be standing a minimum of 6ft away from guests at all time
6. Our performers will sanitize their hands prior to your booking, during and after
7. All equipment and costumes used by our performers will be washed or sanitized after your doorstep visit
8. It is highly advised that all adult individuals at the visit wear a face covering

9. All customers will receive our most updated Safety Plan by e-mail prior to their scheduled visit
