#### **For the safety of all, we need parents to do the following:**

- If you planning any travel over the holiday season, a reminder that per the Commonwealth of Massachusetts Travel order, a negative COVID test or a 14-day quarantine is required prior to returning to Small Wonders Nursery & Daycare, Inc., if you have traveled to a state that is not deemed low-risk. Please be sure to check the Massachusetts Department of Public Health website or Mass.gov for the current listings of states deemed low-risk as this list is actively changing.

- If your child has already received their flu shot, please be sure to provide us with a copy for his/her file. As a reminder, per the Department of Public Health, a flu shot is required for all children attending schools by December 31, 2020.
- If your child has had to take a COVID test for any reason, we need to be informed and provided a copy of the results, including the date in which the test was administered.
- It is important to read and answer the COVID-19 symptom screening questionnaire **honestly** and **accurately** on the days that your child attends Small Wonders. We will continue to provide all safety precautions for child and family, as well as our staff.
- Please be sure to dress your children appropriately for outside and that all coats are labeled.

**Happy Hannukah, Merry Christmas, and Happy 2021!!!**
