Winter Newsletter 2020/2021

Restroom

Our property restroom is now closed for the winter months.

Tread Lightly

This time of year is especially hard on our grounds. Please try to drive on the graveled surfaces and be extra careful if you must drive on the grassed surfaces to prevent ruts and soil erosion.

Range Logbooks

Our range logbooks are now locked with the same lock combination as the gate. This was done to protect members personal information. It is especially important that we continue to fill out the log and lock it back after use.

Annual Meeting 2021

Our annual meeting will be January 26, 2021 6:30pm at Tusculum Baptist Church. Since we do not know what, if any, COVID-19 restrictions will be in place at that time, we ask you to follow any required guidelines. The club will be prepared with masks, etc. if necessary.

Club T-shirts and Stickers

Our very cool t-shirts will be available to order at the annual meeting. The price is only \$15 each. Club stickers are always available at our meetings for \$2 each.

Family Picnic

The board has discussed reviving our family picnic in 2021. This was always a covered dish meal with the club furnishing the meat. Please look for this activity when it is planned.

Native Grasses Program

We are attempting to make some changes to this program in 2021. After the annual burn, we will need to do some strip discing using an offset disc. This will require a heavy offset disc as well as a large tractor. Anyone who has or is aware of such equipment is asked to notify the club.
