## CAPT. JAMES MIDDLETON CEMETERY

SURVEY OF NORTH CAROLINA, 1937

BETWEEN KENANSVILLE AND WARSAW, N. C.

This cemetery is located about half a mile north of U. S. Highway #117, between Kenansville and Warsaw. Being behind a field belonging to D. J. Middleton, (the owner of the cemetery), it is not visible from the road, but the family has a memorial on the highway telling the location of the old cemetery. The cemetery is very old, and is almost never used. It is badly grown up with briars and weeds, and needs attention. The earliest marked grave is that of Capt. James Middleton (1720-1795), for whom the cemetery is named. There are twenty-eight marked graves and about twenty which are not marked.
