Now you can take the practice exam online at <https://test-takers.psiexams.com/ilrep> to prepare for your Illinois Real Estate Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination. Note: You may take the practice exams an unlimited number of times. However, you will need to pay each time.

DESCRIPTION OF EXAMINATIONS

For the National Instructor exam, scenario-based test questions are included to contain more than four options and ONLY ONE BEST option shall be selected to answer the question. Some options are appropriate but not the BEST ANSWER. Please select the option that best answers the question in the exam. A BEST ANSWER reflects the optimal solution or most complete resolution to the scenario presented in the question. These items are associated with scenarios presented in the form of text, graphs, or tables representing a situation in which candidates must identify the best course of action by selecting only one

option. Each option is weighted as zero-point, one-point, or two-points based on the completeness and accuracy of the solution. Sample questions are provided.

The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.
