GIS CHORAL HANDBOOK

MATERIALS

All students will be given a 3 pronged Choir Folder that will stay in the choir room and be used daily. If lost or destroyed, the student is required to replace it promptly. Students need to keep a pencil in their choir folder at all times. Material checks will be conducted throughout the school year.

EXPECTATIONS

Students will attend all performances.

Students will wear appropriate concert attire.

The only beverage allowed in the choir room is water.

No gum or food is allowed in the choir room.

GRADING PROCEDURES

Students will be issued a grade in choir at the end of each semester.

Grades are based on attendance at concerts, class participation, material checks and class theory assignments.

CONCERT EXPECTATIONS

CONCERT ATTENDANCE IS MANDATORY! Arrive at the call time given in class. If you miss a concert, you will need to fill out the absence request form and complete the alternate assignment. The absence request form can be found on the **Choir 6th, 7th, 8th** page of our choral website: greenlocalchoirs.com. You will need to see me for the assignment.

Athletics are great! I highly encourage students to be involved. However, academic classes do take precedence. So please remember to provide a copy of our calendar to your coaches at the beginning of the season in order to avoid conflicts.

PERFORMANCE ATTIRE

All choir members are required to dress nicely for each concert. Students should be well groomed and ready to present their best for every performance. We represent our community, our school, our class and our families every time we perform.

The students will wear their choir shirt and jeans for the spring concert and any community performances.

The choir t-shirt costs \$5.00. Please send in cash or a check made payable to *Crescendo* to me by Friday, September 7th.
