

Insurance for Motorsports enthusiasts

Get the event coverage you need from Lockton Motorsports.

HPDE Insurance

Lockton Motorsports protects you where you need it most – the track. As you may know, finding insurance for HPDE events can be challenging, and the vast majority of auto insurers exclude coverage for these types of events.

Single-Event Policies

Lockton Motorsports administers single-event policies that protect your vehicle while you are participating in HPDE events.

Off-Track Insurance

We developed Off-Track Insurance, an annual policy to protect your competition vehicle and equipment off the track.

Coverage includes:

- Physical damage while your car is being stored or transported
- Trailer overturn
- Damage during the loading or unloading process
- · Theft of your vehicle, trailer and equipment

Autocross Insurance

This annual policy provides on-track coverage while you compete in autocross events, combined with the benefits of an Off-Track policy. It covers physical damage for your car, trailer, parts and more while in storage, in transit and in the paddock.

In our first 10 years of providing reliable insurance solutions to the motorsports community, we've paid out more than \$10 million in claims.
