

My reflection on 2018

Take some time to reflect on 2018 then capture your achievements, learnings, thoughts, and more below.

My biggest achievement
The smartest decision I made
The one word that best describes my year
The greatest lesson I learned
The most loving service I performed
My biggest piece of unfinished business
What I'm most happy about completing
The three people that had the greatest impact on my life
The biggest risk I took
My biggest surprise
The important relationship I improved the most
The compliment I would like to have received
The compliment I would like to have given
The thing I need to do or say to complete this year
