

# Rules

**\*\*\*NO DRIVING, PARKING OR RUGS ON THE GRASS AT ANY TIME\*\*\***

- Campsites are limited to 1 RV per site
- It is your responsibility to dispose of your garbage (dumpster located near the entrance of the campground).
  - Sites must always be kept tidy
- All tobacco product must be disposed of in the garbage- not the ground, fire ring, or sewer tanks
- Campfires are allowed in the designated fire pits only and must be completely out prior to leaving, **do not move** the fire pits around and **no leaving garbage, food, or cigarette butts in the ring - my kids charge a \$10 clean up fee**
- Pets must always be leashed 8ft or less (confined to your site, not common area) or kenneled; they cannot be left unattended at any time outside & excessive barking will not be tolerated, any incident that may occur with your pet is your liability, **pets with aggression and bite history are not welcome**
- We want to continue to allow pets, in order to do so you must clean up after them, there are mutt mitt stations located in two different areas of the campground.
  - Quiet Time is between 10pm and 8am. Excess noise during these times is prohibited
  - Check out is 11:00am
- **All black & grey water tanks must be emptied prior to arrival- no flushing of tanks at any time**
  - RV/Vehicle washing is prohibited without managements consent
  - Speed limit in the campground is 7 mph- please be cautious of children playing
  - Do not walk through other camper sites, stay on the rock walkway paths
    - The canal is a no wake zone
  - If you are occupying a boat slip, only park in the slip assigned to your site.
  - NO Generators allowed-unless there is an extended power outage
  - If you decide to leave early you forfeit the amount of the unstayed nights
- \* Violations of the guidelines will be grounds for ejection from the campground without refund.
  - No ATV riding around the campground
- \* Keep the fish cleaning house clean, wipe down the counters and rinse the sinks. Bag or even double bag fish guts before placing them in the freezer in the garbage bag that is provided
- Wifi network RLRV Aruba 1 or 2 password happycamper
- If you have any issues please bring them to the attention of management, we are a newer campground and we are willing to listen to suggestions- Thank you Cole & Kari Hraban
