Articles for August issue due **July 25<sup>th</sup>**

I hope that everyone is enjoying their summer. Here are some of the things that we are working on:

-We are making progress on getting the original toilets replaced and have about seven left to install. We have so far received \$1000+ from the City of Robbinsdale for our effort. So, our upgrade is a win.

-Our cement and landscaping project is complete and looking very nice.

-We will be having our common area windows cleaned on 7/17 and 7/18. For those of you who would like their unit windows cleaned, please reference the flyer that we delivered to your unit or view the info at the information desk in the common area. The unit cleaning will be at your expense and you will need to contact Clarus directly to set up your appointment.

-We will be doing our annual drain flush in both the basement as well as about a dozen units on the first floor. This will occur on 7/15. Those with cars in the garage will need to move their cars on that day. On 7/21, we will be powerwashing the garage which will require moving the cars out of the garage as well. We will give advanced notice regarding these items as we get closer.

-A reminder that those of you with a garage stall can only store a bike or a cart in front of your garage space. **No other items are permitted.**

-When you use the laundry room, please remember to leave both the washer and the dryer doors open after use, to clean the lint traps and turn off the laundry room light after use.

-The office will be closed on July 4th.

-A big thank you to Tom W for making the coffee for everyone on Saturdays and Sundays!

Thanks,

The J Team!

## BUILDING & GROUNDS

Ed Ampe & Tom Carlin, Co-Chairs, **1st WED, 2:30**

Happy July 4th! Hoping everyone has a safe holiday. 2025 is half over already!

Thanks for everyone's patience while the landscaping projects were completed. The weather sure didn't help us on that one. It looks wonderful! As a side benefit, the irrigation leak was found during this project. We're back in business with watering! A huge bonus for Lee Square!

By the time you read this, the landscaping crews should have completed root removal, stump hole filling and grass seeding (scheduled for June 30 and July 1 weather permitting).

Drain flushing is scheduled for July 17 and garage floor cleaning on July 21. Cars will need to be removed from the garage on those days. Sorry in advance for the inconvenience.

We continue to find bird nests behind the air conditioning shields. Work is being done to find a solution. If you think you have a nest above your air conditioning unit, please tell the office.

Reminder for Recycling – people are throwing plastic bags and garbage in the recycling bin. Please separate your recycling from your garbage. Please refer to the sign above the bin if you are unsure of what can be recycled. We still have organic recycling bins available for anyone who would like to join the program. See Patti Knez or Ed Ampe if interested.

Summer funny - Why did the sun go to summer school? A. To get a little brighter!

## BOARD OF DIRECTORS

Don Fries

Hello everyone, here it is July already, time to celebrate our Independence and the state of a great country that we can be proud of. Speaking of celebrating, we have the cement and landscaping work finally done. I think it looks great and many others said the same, Even better news when they were tearing it up they found a major leak that has eluded us for sometime. By the time you read this the holes left by the tree removal should be done. We have the paint for the Arbor and Gazabo (Thank you Nancy Novak for donating the cost). We will be starting on this soon. Just a reminder, if you have an issue with someone or if you believe they are breaking the rules please do not leave notes on their door. Please contact the office or talk to the board. If the few rules and policies we have here are followed we should all be able to live in harmony.

Have a great 4th

Your humble servant, I mean President

Don Fries

# DONATIONS

Marsha Jarvela #321

Hey friends, Thank you for continuing to donate items to Northpoint Food Shelf. The need for **food, cleaning and hygiene supplies** is even greater in the summer when the children are home. If you have large reusable bags (like those from Aldi, Marshalls, 5 Below and other stores) they are the best for families. When you donate, please put the items in these bags if there are some in the big basket. Northpoint appreciates the Lee Square generosity.

## COMMUNITY OUTREACH/MARKETING

Wendy Fries, **2nd WED, 2:00**

The All City garage sale was a success. Thanks to all the members who helped Don set up and store away every nite. We were able to raise over a 1000.00 towards our new sign fund. Some members also had tables out there and it sounds like everyone did very well. We are now in gear for the whiz bang days. We will be giving mini beach balls out at the parade with tags on them with information about Lee Square. We will have 4 or 5 people walking along the parade route and hand them out. This will be on July 13th. If you attend the parade be sure to wear your Lee Square wear and show you spirit. Also we are gearing up for school supplies, Carmen Berrios will be heading this up, watch for flyers.

Also I have made a decision to step down as Chairperson. I have held this position for 3 years now and feel it necessary for me to take care of myself a bit. The next meeting will be in September for Community Outreach.

On July 4th, the United States celebrates the anniversary of its Declaration of Independence. In 1776, representatives of the then 13 colonies signed the famous document with which they declared their independence from the British crown, and of which the whole of America is still extremely proud today.

The background for this historical event was an increasing dissatisfaction of the colonists with the ruling monarchs in Great Britain. Before 1776, the colonies were subject to British law and had to pay high duties for the import of goods such as sugar, coffee, tea, or spirits.

As the English king responded to the demands with a new tax on tea, the famous Boston Tea Party took place on December 16th, 1773, during which Americans expressed their displeasure. 342 boxes of the highly taxed tea - a symbol of oppression for the colonists were dumped into the harbor of Boston.

This was followed by the American War of Independence, in which the US Army was led by George Washington, who later became the first president.

**Declaration of Independence**

All 13 existing American colonies voted for independence from Great Britain on July 2nd, 1776. The Declaration of Independence was signed by 56 representatives of the colonies just two days later, on July 4th, 1776 - the United States of America was born!

The Declaration of Independence defined the political and moral philosophy for the country that would subsequently become the United States of America. All Americans to this day are very proud of the ideals set forth in the Declaration of Independence. At the time, the ideas were revolutionary, making America the first modern democracy:

- All men are created equal
- All human beings have inalienable rights
- All people have the right to life, freedom, and the right to pursue happiness
- The government is elected and appointed by the people

The most famous part of the Declaration of Independence:

*"We hold these Truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the Pursuit of Happiness...."*
