Mike Shipley in the Linn-Mar Football Record Book

Longest INT Return 98 yards (TD) vs. Iowa City West, 1991

College Athletics

Played college baseball at Loras College from 1994-1997

Coach Phil Katz on Mike Shipley

"Power...the most powerful hitter I have ever coached. Ship had that rare combination of power at the plate and speed on the bases. He could lead the game off with a home run, or he could lead the game off with a walk and steal 2nd base. Either way, he was going to score a run for our team. Mike really studied the art of baserunning. He was a perfect fit for our offense. I will always remember the home run he hit in the 1993 All-Star series at Rosenblatt Stadium. I think that ball is still going. Ship was also extremely humble along with the unique level to raise the level of play of his teammates. Truly one of the best all-around players to ever wear a Linn-Mar Baseball jersey"
