The "Justice is Delicious!" Raffle To Benefit The Legal Project

For years, Capital District eateries have generously participated in our Reception & Silent Auction, and supporters flocked to the event for delicious tastings. Due to COVID 19 we have had to cancel our Reception this year - but you still have a chance to taste your favorites!

Friends of The Legal Project have purchased gift cards to show our support for our local restaurants, and now we hope you will show your support for The Legal Project!
