#### **Anatolian Shepherd Livestock Guardian dogs**

I have three breeding females (Zena, \*Blue, and Smokey) and two breeding males (Zeus and L'Diesel).

Blue Gave Birth to 7 puppies on October 3rd. She is a brindle out of Championship lines.

**Puppies are now on my website- <https://hurcompany.com/blues-female-puppies-2020>**

Both Zena and Smokey were bred in October/November. If the breeding's were successful, puppies are expected between Christmas and New Years.

## Louisiana Catahoula Leopard Dogs

I have two breeding females (Abney's Taladu and Epimoni) and two breeding males (Wildfire's Boomer and Got Grit's Remington).

Abney's Taladu was bred to Wildfire's Boomer in October. This is "Tala's" first breeding.

### **\*\*\*\*UPDATE\*\*\*\***

The breeding was successful!! Tala went to the vet on Friday, December 4. Puppies are expected December 24, 2020!! Christmas Eve puppies!! She has at least 8 – 9 or more puppies. I will be updating my website on December 13<sup>th</sup> at midnight. I will release the application at that time.

Epimoni "Moni" gave birth to 15 puppies in July. All her puppies have homes. Puppies are expected spring 2020.

## Bloodhounds

I have two breeding females (\*Hur Sweet Bella and Hur Sassafras) and one breeding male (\*Ruger).

"Bella" was bred in September, but it appears the breeding wasn't successful. She is an unusual dog that cycles about every three months and only takes every third time or so. She will be bred again soon.

"Sassy" gave birth on Labor Day 2020. All of her puppies have homes. She is expected to be bred again in the spring 2021.
