

Hi!

Thank you for your interest in Hur Company's puppies and goats. I raise registered show quality Nubian, Nigerian Dwarf, and Mini-Nubian goats, AKC Anatolian Shepherd Livestock Guard dog puppies, AKC Bloodhound puppies, and NALC Louisiana Catahoula Leopard dog puppies.

Currently I have 40 pregnant Nigerian Dwarf does, and 20 pregnant Nubian does. Does will start kidding between Thanksgiving and Christmas. Prices- Bucklings start at \$150 for unregistered, and \$250+ for registered. Doelings start at \$250 for unregistered and \$350+ registered.

Anatolian Shepherd Livestock Guardian dogs

I have three breeding females (Zena, Blue, and Smokey) and two breeding males (Zeus and L'Diesel). Blue Gave Birth to 7 puppies on October 3rd. All of her puppies have homes.

Both Zena and Smokey were bred over the last couple of weeks. If the breeding's took, puppies are expected between Christmas and New Years.

Louisiana Catahoula Leopard Dogs

I have two breeding females and two breeding males. Abney's Taladu was bred to Wildfire's Boomer in October. This is Tala's first breeding. If the breeding took, puppies are expected December 12 – 18th.

Epimoni gave birth to 15 puppies in July. All of her puppies have homes. I am expecting to breed her again in the late spring/summer of 2021.

Bloodhounds

I have two breeding females and one breeding males. Hur Sweet Bella was bred in October, but it appears the breeding didn't take.

Sassafras gave birth on Labor Day 2020. All of her puppies have homes. She is expected to be bred again next summer.

Are you interested in adopting one of my animals?

1. I send out both a text and email notification when pregnancies are confirmed and puppies/kids are born.
