WHAT IS A BLOODAHOULA???

The **Bloodhound** is a large, friendly, independent, and inquisitive breed. The Bloodhound is a large scent-hound, originally bred for hunting deer, wild boar and, since the Middle Ages, for tracking people. This breed is gentle, and is tireless when following a scent. Because of its strong tracking instinct, it can be willful and somewhat difficult to obedience train and handle on a leash. Bloodhounds have an affectionate and even-tempered nature with humans, making them excellent family pets.

The **Louisiana Catahoula Leopard Dog** is a medium-large, short-coated dog, known for its many varied coat and eye colors and patterns. This breed can be independent, territorial, and protective. They are affectionate, loyal, intelligent, energetic, inquisitive, loving, and gentle to their people. Bred to hunt, track, herd, and guard.

Advantages of this mix-

- Scent hound
- Smaller ears than bloodhound
- Less jowls- less/no slobber
- Thicker coat than a Catahoula, but not as heavy as a Bloodhound
- Can have- different color eyes, unique markings and colors.
