

Prosit for Another Successful Oktoberfest at Advent!

November 3, 2011

How Many More Pans?

Bratwurst! Sauerkraut! Pork roast! Tasty side dishes and homemade desserts! Advent's always-popular Oktoberfest dinner on 22 October was enjoyed by all who attended, going by the countless compliments to the chefs.

A special thank-you to those attending our Community Dinner for the first time. We hope to see you again during the upcoming Christmas season. Our monthly Community Dinners return in late January with the equally mouth-watering Swedish meatball supper.
