

# Team Advent Helps Raise More Than \$8,000 for CROP Walk

**November 7, 2011**

Every year, more than 2 million walkers worldwide raise \$16 million to fight hunger and poverty.

Here in beautiful Jaffrey, New Hampshire, Team Advent joined 70-some other volunteers for a six-mile walk in the foothills of Mount Monadnock on Saturday 15 October — helping raise more than \$8,000. And 25 percent of the donations collected by Team Advent and fellow walkers stay here, providing much-appreciated food to our own neighbors in need!
