

Walking Weekly - “Don’t Lose Your Wonder”

July 27th – August 1st

Monday – Look Up

Scripture: Psalm 19:1

Devotional Thought:

David's sense of wonder began when he simply looked up. The heavens weren't trying to impress him—they were simply doing what they had always done: declaring the glory of God. We often become so consumed with our schedules and responsibilities that we stop noticing the evidence of God's greatness all around us. Today, pause long enough to notice His handiwork.

Reflection Questions:

When was the last time I intentionally admired God's creation?
What distractions keep me from noticing God's presence around me?
How can I slow down enough to recognize His glory today?

Prayer Focus:

Ask God to lift your eyes above the distractions of life and help you recognize His greatness in the world around you.

Tuesday – Remember Your Story

Scripture: Ephesians 2:8-9

Devotional Thought:

One of the quickest ways to recover our wonder is to remember where God found us. Think back to your life before Christ and all He has done since then. His grace is not something we graduate from—it is something we continue to marvel at

every day. The cross never becomes less amazing; sometimes we simply forget how amazing it truly is.

Reflection Questions:

How has God's grace changed my life?
Have I allowed my testimony to become something I rarely think about?
What can I thank God for today because of His grace?

Prayer Focus:

Thank God for saving you and ask Him to renew your appreciation for the grace you've received through Jesus Christ.

Wednesday – Expect God to Speak

Scripture: Hebrews 4:12

Devotional Thought:

The Bible is more than words on a page. It is God's living and active Word. Sometimes familiarity tempts us to open our Bible expecting nothing new, but every time we read Scripture, we have the opportunity to hear from the Creator of the universe. Approach God's Word today with anticipation rather than routine.

Reflection Questions:

Do I approach Scripture with expectation or obligation?
What is God teaching me through His Word right now?
How can I become more intentional in listening for His voice?

Prayer Focus:

Ask God to open your heart and mind as you read His Word, and to give you fresh eyes to see familiar truths.

Thursday – Worship With Fresh Eyes

Scripture: Isaiah 6:1-8

Devotional Thought:

When Isaiah saw the Lord, worship became his only response. Genuine worship doesn't begin with a song—it begins with a fresh vision of God's holiness and greatness. Spend time today thinking less about your circumstances and more about who God is. The more clearly we see Him, the more naturally worship flows from our hearts.

Reflection Questions:

What attributes of God fill me with awe?
How often do I focus on God's greatness instead of my problems?
How can my worship become more intentional?

Prayer Focus:

Pray that God would deepen your reverence for Him and help your worship flow from genuine awe rather than habit.

Friday – Don't Miss Today's Miracle

Scripture: Lamentations 3:22-23

Devotional Thought:

God's faithfulness isn't limited to dramatic moments. Every breath, every sunrise, every answered prayer, every opportunity to love and serve is evidence of His goodness. We often spend so much time waiting for the next miracle that we overlook the countless ways God is already at work today. Ask Him to help you notice what you've been taking for granted.

Reflection Questions:

What blessings have I overlooked this week?

Where have I seen God's faithfulness in ordinary moments?

How can gratitude increase my sense of wonder?

Prayer Focus:

Thank God for His daily faithfulness and ask Him to help you recognize His blessings in the ordinary moments of life.

Saturday – Come Ready

Scripture: Psalm 122:1

Devotional Thought:

As you prepare to gather with God's people tomorrow, don't come expecting "another Sunday." Come expecting to meet with the living God. Pray for your pastor, your church family, and every person who will walk through the doors. Ask God to prepare your heart before you ever enter the sanctuary so that worship begins long before the first song is sung.

Reflection Questions:

How can I prepare my heart for worship tomorrow?
What expectations am I bringing with me into God's house?
Who can I encourage when I gather with my church family?

Prayer Focus:

Pray that God would prepare your heart for worship, speak powerfully through His Word, and draw people closer to Himself as the church gathers tomorrow.
