ABB K-TEK
A MEMBER OF THE ABB GROUP

Measurement instruments and automation solutions to help standardize your industrial process including: **Flow, Level, Pressure, Temperature,** Controllers & Recorders, Actuators and Positioners.

PRECISION DIGITAL

Level, flow, pressure, and temperature indicators, controllers and digital panel meters

TCI
ThermoCouple Innovations, Inc

Supplying a robust line of temperature measurement with over 80 years of experience manufacturing RTDs, thermocouples, transmitter and thermowells.

McMENON

Premier manufacturer of flow and temperature measurement instrumentation, premier supplier for ABB DP flow and temperature and the trusted partner of choice for complete contract engineering and manufacturing service

JOGLER
PREMIER LEVEL PRODUCTS

The Jogler level product line of magnetic level gauges, magnetrorestrictive transmitter, direct - reading level gauges and other superior level products are known for **reduced** lead times on delivery.

PENBERTHY®

Reliable Technology for Level and Flow Indication, Mixing, Pumping and Heating. Flat Glass Gauges, Sight Flow Indicators, **Yarway Boiler Instrumentation.**

Stafsjö

EBRO ARMATUREN®

Two of the worlds leading manufacturers of high performance industrial valves, knife gate and butterfly valves, Actuation and automation technology.

FUJIKIN CORP.® Fujikin®

Recognized as a global leader in the manufacture of ceramic ball valves that have proven their superior properties and longevity in hostile environments such as corrosive and abrasive applications.
