Dear CityServe Team,

On behalf of Chief Dennis Pashe, Council, and the entire Dakota Tipi First Nation, we extend our sincere gratitude for your generous support through the Amazon Donation Program.

Your shipment represents much more than donated items—it represents hope, compassion, and a meaningful investment in the well-being of our Nation. Every box that arrives strengthens our ability to support community members who may be facing challenges while enhancing programs that benefit our families, Elders, youth, and children.

Partnerships such as ours are built on trust, respect, and a shared commitment to improving lives. Your generosity demonstrates that organizations like CityServe recognize the importance of working alongside Indigenous communities to create lasting, positive impacts.

Please accept our heartfelt appreciation for your continued support. Your kindness reminds our people that we are not alone and that there are organizations willing to stand beside First Nations communities as we continue building a stronger future for generations to come.

Thank you for believing in our community and for making a tangible difference in the lives of our members.

With sincere appreciation,

Chief Denis Pashe
