CityServe Canada Charity

Dear CityServe Team,

On behalf of the staff, students, and families of Christ the King Catholic School in Wallaceburg, Ontario, I would like to express our heartfelt thanks for your generous donation of items provided through your partnership with Amazon.

We understand that CityServe's special arrangement with Amazon allows your organization to receive returned and surplus items, ranging from clothing, tools, gym equipment, toys, and household goods to share with schools, families, and communities in need. This initiative is truly remarkable, and we are so grateful to be one of the recipients of your generosity.

These varied items have made a meaningful impact in the lives of our students and their families, helping to provide comfort, support, and joy to those who need it most. Your efforts embody the spirit of compassion and community that we strive to foster within our school.

Thank you again for your kindness and for including Christ the King School in your mission to serve others. We look forward to continuing this wonderful relationship and exploring future opportunities to collaborate in supporting our local families.

With sincere appreciation,

Angèle Monette
Principal
Christ the King Catholic School
Wallaceburg, Ontario
