Edify Learning Forum Inc.

Introduction

At Edify Learning Forum, we acknowledge that we are in Calgary, on the traditional territories of the Blackfoot Confederacy—Siksika, Kainai, and Piikani Nations—as well as the Tsuut’ina Nation and the Stoney Nakoda Nations, and within the homeland of the Métis Nation (Region 3). This land is covered by Treaty 7, a living agreement that continues to shape relationships here.

We recognize the long-standing presence, stewardship, and contributions of Indigenous Peoples, past and present, and we express our respect for their cultures and histories.

As a learning organization working across contexts and emerging markets, We commit to approaching our work with humility, awareness of place, and a willingness to learn from Indigenous perspectives as part of how we build meaningful, context-aware learning.
