

LET'S TALK ABOUT IT.....!

Supplier diversity compliance requirements can be confusing or intimidating, especially for a company that is new to federal contracting. However, the secret to compliance is really the secret to any successful supplier diversity program:

Establish realistic goals and maintain accurate tracking of your diverse suppliers and your diverse spend.

GROWING ECONOMIES THROUGH DIVERSITY INCLUSION AND COMPLIANCE MANAGEMENT

PRiSM Software-As-A-Service is the cloud solution for management of suppliers, contracts, payment and labor compliance. Our solutions transform communities through systematic inclusion of diverse businesses and workers in contracts.

Leaders rely on PRiSM reporting for the economic change they seek to achieve.

PRiSM provides full implementation services including SAAS setup, data migration and integration, and training.

PRiSM offers an array of Managed Services including Diversity Compliance Monitoring, Business Outreach, and Policy Development.

SUPPLIERS

Achieve total supplier management with web-based central supplier registration, pre-qualification, and diverse business certifications (SBE, MBE, WBE, DBE, DVBE, LGBT, and more). Leverage searchable vendor directories to expand strategic sourcing capabilities and manage certification and insurance expirations.

WORKFORCE

With PRiSM, forecast the employment utilization, measure the hires by ethnicity and gender, while auditing Certified Payroll for prevailing wage compliance. Set employment goals and evaluate outcomes against hiring trends and census data.

COMPLIANCE

Manage your organizations expenditures, including payments and credit card transactions. Analyze spending with diverse suppliers, verify direct and lower tier payments, and generate performance reports and dashboards.
