# NUESTRAS HISTORIA Y TRAYECTORIA

## Born during the Covid-19 crisis

Due to the lack of employment and food, a group of citizens from Quepos, united and in solidarity, began the struggle and initiative to organize a food bank.

## RAIN AND FLOOD CRISIS

We coordinate and lead deliveries of hygiene kits, food, and cleaning supplies to homes and families affected in the hardest-hit areas, Paquita, Finca Kristina, and Cerros.

## Project Creation

We lead the creation of the programs: Emprendiendo Quepos, Espacios Seguros, Sembremos Seguridad, Environmental Marathon Bahía Azul, and Boca Vieja Solidaria y Responsables.

## ACHIEVEMENTS

DURING STAGE 1 HUNGER AND UNEMPLOYMENT: Food was distributed to more than 7,000 families in the Canton of Quepos, covering all 3 districts. Including the sectors of Esquipulas, Bijagual, and San Antonio de Damas. Declared of Cantonal Interest. Appointed as Honorary Advisors in Tourist Management by the Municipality.

## Strategic Alliances

We led the first visit and agenda of the Minister of Tourism, Don Gustavo Alvarado. We coordinated entrepreneurship training with female entrepreneurs from Quepos with the MEIC and other Organizations.

# BANCO DE ALIMENTOS

- First Response to the Social and Economic Crisis of COVID-19
- Coordination and motivation among private companies, public entities, and community leaders.
- Food deliveries to more than 7,000 families across all 3 districts of the canton of Quepos.
- Natural Disaster Response
- Coordination and assistance during rains and floods in the canton.
- Other Initiatives

BANCO ALIMENTOS QUEPOS

# OUR PRESENT

## TURISM

We manage two social, cultural, and community-based tourism activities. One is located in the El Cocal neighborhood and the other is at the African Palm Plantation.

## SOCIAL OUTREACH

Opening of our offices to offer various free activities:

- Chess Classes
- Painting Classes
- Macramé Classes
- Resin Classes

Clubs for various groups: children, teenagers, adults.

## PROJECTION

- Managed incorporation into INDER (Institute of Sports and Recreation or other relevant body)
- Engagement with the Embassy of Japan
- Engagement with the Embassy of the United States
- Ford Group Management involvement
- Inclusion of the 'New Opportunities' Program led by Heylyn Ortega
- Alliance with Planeta Sano

## EMPRENDIENDO QUEPOS

Our program is currently operating for 37 female entrepreneurs involved in crafts and start-ups

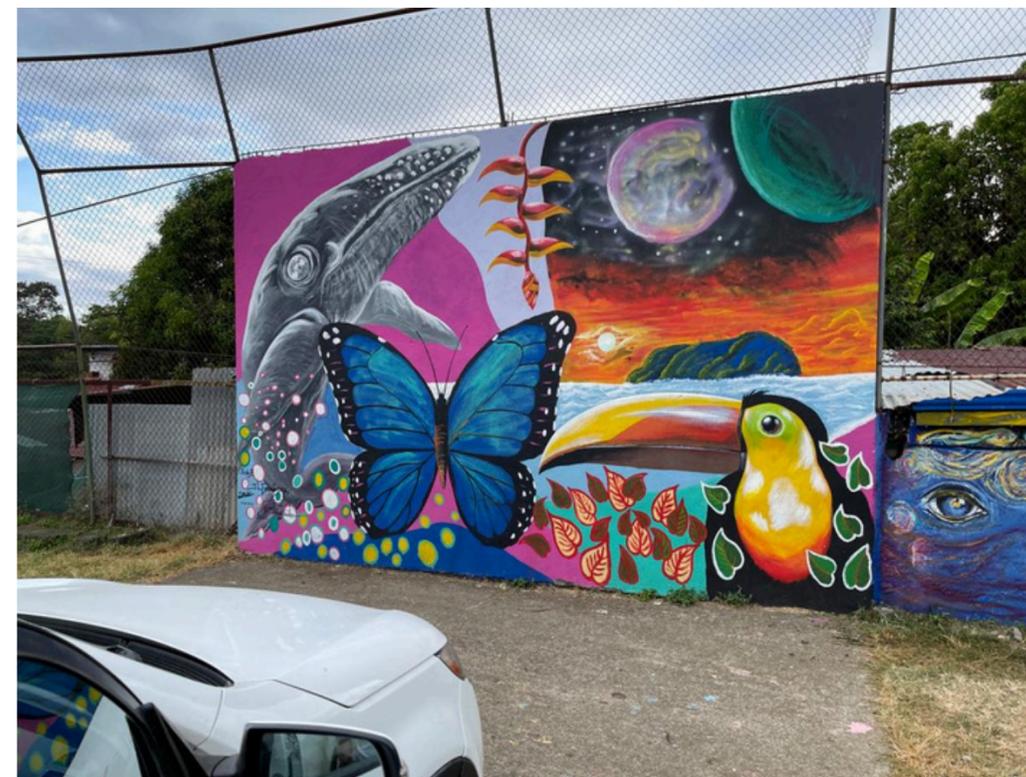

## STRATEGIES AND SUPPORT

We provide advice and support to other Associations in the development of projects; we have managed to generate significant donations for BOQUENSE, the Recreational and Sports Association of Boca Vieja, and the Organized Neighborhood of Cocal

# CURRENT PROJECTS PAINTING SECURITY

## SOCIAL AND COMMUNITY TOURISM

- Managing groups of foreigners in social community tours.
- Offering unique experiences that showcase entrepreneurship and recreation.
- Contributing to job creation and social development in COCAL.

# EMPRENDIENDO QUEPOS

We adopted the entrepreneurs' fair, with the mission of helping to formalize and strengthen it. However, the project has remained in our hands waiting for the leader who started it to return. Currently, we have 37 varied ventures. This year, we managed to secure a space in the Paquita festivities, and for the first time in over three years, they were included in a municipal fair.
