

**ONLINE CREATIVE DANCE-VENTURES CAMP (Glencoe club)
(AGES 4-5)**

“Dance like the wind, dance like a whale, dance off into space and dance a tall tale!” In this week long creative dance camp children dive into an earth element each day including the living creatures that thrive around them. Dancers learn, explore and have fun expanding their movement literacy with music, creative dance activities, crafts and story time. There will be a small household items list to have handy for craft-making and possible props to use while we let our imaginations soar. Your child should be in comfortable clothes, bare feet or ballet slippers, have water handy, and have a designated inside dance space.

M-F Aug 17 - 21 1 - 3 pm
