

Available on our website and YouTube channel

'Studies Determine Character' is lived out day to day by offering a tailored academic curriculum in conjunction with an enormous range of opportunities on offer beyond the classroom. Our enrichment programme fosters endeavour and commitment, which complement leadership, teamwork, trust and kindness. The blend of academic and enrichment activities across the school ensures every student can grow and develop whatever their interests and talents.

Mr Gibson, Headteacher

Leaders and governors provide strong leadership, which is valued by staff, pupils, parents and carers. Staff morale is high.
