Date of Cancellation _____

CANCELATIONS, WITHDRAWALS, AND REFUNDS

STUDENT'S RIGHT TO CANCEL: In accordance with BPPE policy, the student has the right to cancel their enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If a student wishes to cancel, the school requests that the student give written notice to the school via mail, email, or hand delivery.

STUDENT'S RIGHT TO WITHDRAW FROM THIS PROGRAM: As per BPPE policy, a student has the right to withdraw from this program of instruction at any time and receive a refund of tuition if the student has completed 60 percent or less of the period of attendance.

REFUNDS: The refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund. According to California Code of Regulations, a pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student. The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days in the program), multiplied by the number of days remaining in the paid period of attendance after subtracting days the student attended, or was scheduled to attend, prior to withdrawal. (Please note that if a student is present for at least one day of a scheduled week, the remaining days of that scheduled week are also included for calculation purposes.) For instance, the daily charge of the program tuition fee is \$17 (\$1440 divided by 84 days). If a student has paid \$1440 for 84 days (12 weeks), and he/she only attended classes for 14 days, the total refund will be \$1202, which is calculated from \$1440 (the total amount the student has paid) - \$238 (\$17 daily charge, multiplied by 14 days).

As per BPPE policy, if the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

In accordance with ACCET's policies, please note that for refund calculation purposes, the student's Last Date of Attendance (LDA) is the last day the student is physically in class. Also, note that our school will pay refunds within 45 days of a student's cancellation or withdrawal. The precise date on which these 45 days begin (referred to by ACCET as the Date of Determination) is one of the following:

- (a) the date the student gives notice of withdrawal to the institution; if the student gives advance notice, then the date will be the Last Date of Attendance (LDA);
- (b) the date the institution administratively withdraws the student (for example, if the student has been absent without excuse for 30 days);
- (c) the date the institution terminates the student due to the student's failure to adhere to the institution's attendance, conduct, or student progress policy.

Note: For students who cancel or never attend the school ("no-show"), the refund is due a maximum of 45 calendar days from the first scheduled day of class or the date of cancellation, whichever is earlier.

Please note that our school's refund policy combines the requirements of both BPPE and ACCET, always giving precedence to the aspects that are most beneficial to the student.

TUITION AND FEES: The length of study for a given educational program (ESL level or TOEFL class) is one quarter (generally 12 weeks). For students starting school at the beginning of the quarter, this also coincides with

their period of attendance. For students starting mid-way through the quarter, their period of attendance begins on their start day and finishes at the end of the quarter. Tuition fees in this case are pro-rated based accordingly.

Students can opt to pay for their period of attendance in two ways: (1) they can pay for the entire period up-front, (2) they can pay in sets of installments.

The following are the total charges the student is obligated to pay for the course of instruction and all other services and facilities furnished or made available to the student by the school, including any charges made by the school for tuition, room and board, books, materials, supplies, shop, and studio fees, and including any other fees and expenses that the student will incur upon enrollment.

Please note that in a case where a quarter is slightly longer than 12 weeks (e.g. 13 weeks), the quarterly tuition will be pro-rated accordingly.

STRF Statement

PART ONE

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

PART TWO

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.
