"Providing quality comprehensive and personalized instruction to prepare your toddler for a life of learning!"

Welcome to Sky is the Limit Learning Center a private childcare experience designed to accommodate the needs, expectations, and work schedules of our local educators and school personnel.

We offer 3 different programs to choose from with added perks for our hardworking parents.

1. **Full time** care is between **7AM** and **5PM** /Mon-Fri
2. **Part time** care is between **7AM** and **2PM** /Mon-Fri
3. **Mother's Day Out** is between **7:50AM** and **2PM** /3 days weekly (your choice)

For added protection of students and staff, all students will be screened before entering.

Please note that late fees will be accessed if children are not picked up by 2 or 5PM according to their scheduled program. The accumulated fees will be due at pick up, so we advise parents to start picking up their kids around 1:45 or 4:45 to avoid late fees.

****When choosing your program make sure that it will be one that is feasible to your daily work schedule and travel time.**

SKY IS THE LIMIT LEARNING CENTER

Our Goal is for the students at Sky is the Limit to be equipped with the necessary learning foundational skills to foster years of learning

Social Skills:

- Initiates and maintains independent play.
- Enjoys doing things on their own sometimes, such as reading, crafts or getting dressed.
- Can separate from you for several hours, such as an afternoon at a friend's house or sleepover.
- Appears interested in going to a big-kid school, learning new things and meeting new friends.
- Enjoy participating in group activities.
- Can express emotions, needs and requests.
- Responds well to consistent routines, such as quiet time or naptime following lunch.
- Anticipates what comes next during the day. (knows that naptime follows lunch)

Motor Skills:

- Increased proficiency in gross motor skills, strength and balance, such as jumping in place, standing on one foot, running and kicking.
- Develops gross motor coordination, such as to navigate around obstacles.
- Run to kick a stationary ball.
- Improves hand-eye coordination when playing with building blocks and simple puzzles.
- Begins to improve pencil control by using fingers rather than the whole fist to grasp pencil and crayons.
- Begin to show left/right handedness.

Reasoning & Concept Development:

- Matches like objects, mainly identical objects, or match objects by shape and color.
- Develops object permanence and understands that objects continue to exist even when out of sight.
- Shows interests in thinking with objects by taking things apart and putting them back together.
- Explores with elements of nature, such as sand and water.
- Remembers short sequences of events of 2 to 3 steps.

Language Skills:

- Uses language to communicate with others for a variety of purposes (describing something, making request, greeting someone, etc.)
- Speaks clearly to be understood by others.
- Uses accepted language and communication styles (using polite manners, using appropriate volume and tone)
- Tells simple stories.
