A \$300.<sup>00</sup> security deposit will be required. We will hold the check and return after the event. This deposit ensures your date and covers any possible damage.

**1.** If you want to decorate the day before your event. You will want to rent the building for that day to ensure it is not rented to another party. What decorations you put up, please take down at the end of your event. Please **DO NOT** remove anything from the walls.

**2. ALCOHOL** - The club is licensed as a beer and setup bar, and of course we abide by all laws and rules accordingly. If there is any alcohol during your event the bar must be open with a bartender on duty. We will supply the bartender. If your party is over 80 people we will have 2 bartenders on duty. Please pass the word or put on invitation that the club sells beer and pop. You may bring in a liquor bottle, wine, and champagne. What has been working well is when the host party brings a few bottles (vodka, rum, whiskey, etc.) to share with their guests, as a lot of people do not know what a setup bar is. In short - **DO NOT** bring in beer or pop (buy at bar) **DO** bring in liquor bottle for mixed drinks. **NO KEGS.**

**\$100.<sup>00</sup> CLEANUP OPTION:** If you would like, the club will do the clean up for \$100.<sup>00</sup>. If you choose to clean up yourself, please wipe down tables, take out the trash, vacuum the carpet, sweep and mop the floors.

We have tables and chairs for 150 people. You are welcome to use our kitchen facilities and utensils. All must be cleaned up and put away.

We do have an ATM machine.
