

ECBOA STATE LIST SELECTION POLICY

August 2021

Selection of the Lists

1. Commencing with the 2020-2021 season, the Recommendation Committee shall compile the Boys and Girls State Lists (names listed in alphabetical order), which shall be comprised of not less than six (6) Officials per gender, by the prescribed ECBOA deadline and submit them to the Assignor.
2. Commencing with the 2020-2021 season, all Officials on Crew #1 and Crew #2 of the Regional List shall be placed on the State List (per gender).
3. Commencing with the 2021-2022 season, any Official who was selected by the FHSAA to officiate a State game the prior season shall be placed on the State List (in that same gender); unless otherwise notified by the FHSAA that they do not want that Official back to the State tournament.
4. Commencing with the 2021-2022 season, if an Official is eligible to be on both the Boys and Girls State Lists, the official must choose one.
5. Commencing with the 2021-2022 season, if for any reason there are not six (6) Officials who qualify to be on the State List (per gender), the Referee on Crew #3 shall automatically be placed on the State List, followed by the U1 and U2 until such time that there are at least six (6) Officials on each State List.

Requirements and Restrictions

1. An Official must be a rank 100-105 (See Note ** below) by December 15th of each season, commencing with the 2020-2021 season.
2. Commencing with the 2020-2021 season, an Official cannot be on both the Boys and the Girls State List in the same season.
3. Commencing with the 2020-2021 season, ECBOA's Assignor shall submit the names of not less than six (6) Officials per gender to the FHSAA by the prescribed deadline.

** For the 2020-2021 season only, Officials on Regional Crews #1 and #2 shall be permitted to be on the State List regardless of their rank.
