

## 2022 License tags are now available!

Your pet's 2021 license expires April 30th.

If your pet has a current rabies vaccine that doesn't expire before next year, you can stop by City Hall anytime. Be sure to bring a copy of your pet's rabies vaccine & proof of spay or neuter. If you believe the city already has a copy, contact me and I will look in my records or you can contact your Veterinarian.

The pet vaccine & license clinic will be Saturday April 23<sup>rd</sup>. South Fork Veterinary Clinic will be helping us out with this event again this year. Closer to the event South Fork will be providing me with a price list of their services for that day. You can get your pet(s) an updated rabies vaccine & license on the same day. Ordinance #377 requires your dogs & cats to be licensed if you live in the city limits!

Licenses can help us find you if your pets get out & picked up. Licenses let our officer know your pet is vaccinated against Rabies, which can be transmitted to humans!

Spayed & Neutered pets only cost \$1.00/pet

If not Spayed or Neutered it costs \$3.00/pet.
