

**MyCare Family Community Supports
Job Questionnaire**

MyCare Family Community Supports currently has job opportunities for dependable, hardworking people to work with adults who have Intellectual and/or Developmental Disabilities. You will be working one on one with individuals and helping them perform daily living skills. This is a very rewarding job and at times can be very challenging work. We provide you with all the training required for the job and any other assistance you may need.

Are you available to work in the evenings and on weekends?

Describe the experiences you have had interacting with individuals who have intellectual and/or developmental disabilities.

Describe an instance in which you had to exercise extreme patience.

Describe a situation in which you had to teach someone a small task, such as tying a shoe or setting the table for meals.

If we called your last employer, what would they say were your strengths?

If we called your last employer, in what areas would they say you needed improvement?

**MyCare Family Community Supports
Job Questionnaire**
