COMEDIANS

2 Guys Comedy is a collaborative show performed by Tom Briscoe & Mark Riccadonna, 2 stand-up comics at the top of their game. They each bring 25 years of successful solo careers and major industry credits onto the stage for a night of original hilarity that include stand up, sketches, classic jokes and more. In quick fashion they have filled up their calendar, recorded an album, wrote the world's first 2-way jokebook and were awarded an invite to present a pilot script at the prestigious Montreal Comedy Festival.

Tom Briscoe has a Dry Bar Comedy special in their Top 10 Comedy specials for 2022 that's approaching 1.5 million full episode views. He has an award-winning solo show and 2 comedy albums in regular rotation on satellite platforms. His hilarious slants and rants on bad jobs, a good marriage, travel mishaps, raising daughters, empty nesting, ungracefully aging, unsolicited advice and living each day as a cautionary tale make him welcome on all the best stages on cruise ships worldwide plus clubs and resorts nationwide.

couldn't tell one more lady what was in a rum & coke. He needed to perform. Anyway, one day he woke up, and decided to stop talking about being a comic and actually do it. That night he paid \$5 for five minutes of stage time and have been doing it ever since. He has had the pleasure of opening for national acts such as Emo Philips, Dave Chappelle and Jim Breuer. SINGER

Justin Gonzalez (tenor) knew from a very young age that music would be something extraordinary in his life.

20 years since his first European tour, Justin Gonzalez is still a sought-after classical music soloist. He is also a practitioner of the American Song Book and the music of Broadway. Justin uses all of this music to entertain, educate, and share his story.

When Justin isn't singing with the world's best classical musicians, popular music performers and writing his music to perform with the Justin Gonzalez Trio, he is the lead singer of 33 $\frac{1}{3}$ LIVE's Killer Queen Experience. KQE faithfully recreates the studio recordings of the legendary rock band Queen. Justin and his ten bandmates take you back to the days of listening to your favorite Queen albums nightly!

No matter the music you like, when Justin Gonzalez takes the stage, all you have to do is sit back and enjoy.
