COMEDIANS

2 Guys Comedy is a collaborative show performed by Tom Briscoe & Mark Riccadonna, 2 stand-up comics at the top of their game. They each bring 25 years of successful solo careers and major industry credits onto the stage for a night of original hilarity that include stand up, sketches, classic jokes and more. In quick fashion they have filled up their calendar, recorded an album, wrote the world's first 2-way jokebook and were awarded an invite to present a pilot script at the prestigious Montreal Comedy Festival.

Tom Briscoe has a Dry Bar Comedy special in their Top 10 Comedy specials for 2022 that's approaching 1.5 million full episode views. He has an award-winning solo show and 2 comedy albums in regular rotation on satellite platforms. His hilarious slants and rants on bad jobs, a good marriage, travel mishaps, raising daughters, empty nesting, ungracefully aging, unsolicited advice and living each day as a cautionary tale make him welcome on all the best stages on cruise ships worldwide plus clubs and resorts nationwide.
