

Planet Fitness

Tune® delivers a healthy 13% savings in kilowatt-hours at Planet Fitness in Birmingham (Roebuck), Alabama.

Fitness centers present the perfect opportunity for Tune® to deliver savings. TVs, digital monitors, and extensive lighting are energy hogs that generate the electronic noise that Tune® addresses head-on.

13%

KWh SAVINGS

CHI Energy, a trusted third-party analyst, performed a savings impact evaluation.

PREDICTED kWh	ACTUAL kWh	SAVINGS kWh %	MONTHLY SAVINGS
